

EarlyON centers are open to all families in Ontario. They're welcoming places that offer a range of services and resources, where you can:

- Join fun hands-on activities such as reading, storytelling, sing-alongs and co-operative games
- get advice from professionals trained in early childhood development
- find out about other family services in your community
- connect with other families with young children

## Programs

### **Active Play**

Provides children with unique physical activities including parachute fun, bean bag toss, and other physical activities.

### **All About Me**

This program will focus on teaching children about themselves, family and pets.

### **Baby Wonderland (0-18 months)**

A program for babies and parents with interactive songs, sensory play and simple exercises.

### **Book Making**

This is a hands-on learning opportunity for families to create books together, as well as, sing songs and listen to stories.

### **Creative Learning (4-6 Years)**

This program will help children in Kindergarten strengthen their pre-reading and math skills.

### **Dad & Me**

A program for dads and male role models to bond with children through play and fun activities.

### **Family Time**

An interactive drop-in program which includes siblings over 6 years.

### **Fun with Letters**

Children will start to recognize letters by participating in different hands-on activities, which may include alphabet blocks, puzzles, flash cards, stamps and storybooks.

### **Fun with Numbers**

Children will start to recognize numbers by participating in different hands-on activities which may include number puzzles, counting toys, counting beads and flashcards.

### **Healthy Eating**

Learn about nutrition and healthy eating and how to incorporate it into their daily routine.

### **Little Explorers**

Includes hands-on activities, with more emphasis on fine motor development, and tactile use (involves touch).

### **Readiness to Learn**

A program provides preschoolers with key learning skills they need to succeed in a school setting. Such as independent, listening and social skills.

### **Story Time**

This program focuses on storytelling in a group setting. A variety of stories are read in the program, including books-on-tape, large picture books, and stories involving props (such as puppets).

### **Surprise Bags**

Come and see what you can make with the items in your bag. Everyone will have the opportunity to share their "creation" with the group through show and tell.

### **Toddler Time (18-36 Months)**

Program focuses on toddler's development through play. Parents and caregivers will engage in activities with their child.

### **Together Time**

A program for parents and caregivers with children from birth - 6 years. Families have the opportunity to socialize while children develop new skills in an early learning environment.
